CAREER SUMMARY AND OBJECTIVES

I am a goal-oriented individual with the ability to cope up with any responsibility and duty given to me. I have the capability of interacting with various types of people and working together as a team with having a good team spirit.

I received my education at Lyceum International School where I completed my National G.C.E. Ordinary Level and Advanced Level Examinations. Also, I have taken part in charity events and other activities organised by my school interactively.

I completed my Certificate in PC Hardware Engineering soon after my Ordinary Level Examination and my Diploma in Information Technology soon after my Advanced Level Examination, from ESOF Metro Campus.

At present, I am an undergraduate in Bachelor of Science at University of Sri Jayewardenepura, Sri Lanka, as well as, an undergraduate in Bachelor of Information Technology (External) at University of Colombo School of Computing, Sri Lanka.

Further, on completing my Bachelors I intend to continue higher education leading to a Ph.D. in relation to fields like Deep Learning and Artificial Intelligence.
